We do not permit external catering, as we have an in-house catering team. Should you have any specific needs, our team is happy to accommodate these.

We offer a selection of locally sourced beverages, if there is anything you would prefer for your event that we don't currently stock, we can usually arrange to source it for you. Please note BYO is not available.

Whats Next?

Get in touch with our Events Team to arrange a site viewing. It's an opportunity to explore the venue, experience the different event spaces, and chat through how Mona Vale could work for your occasion.

After your visit, you're welcome to pencil in your preferred date while you finalise your plans. If we receive another enquiry for the same date, we'll contact you and offer you first right of refusal.

When you're ready to confirm your booking, we'll send through a deposit invoice (the full venue hire fee) along with a contract to sign and return. Once both are complete, your event is officially booked, and we'll work with you to bring it together with care and attention to every detail.
